INFORMATION DISCLOSURE STATEMENT

Sir:

It is respectfully requested that the references listed below be considered by the Patent and Trademark Office in the above-identified application and made of record therein.

This statement is believed to be in conformance with the provisions of 37 CFR 1.97 and 1.98, including submission of the enclosed full text copies of pertinent portions of the references. A completed form PTO-1449, "Information Disclosure Statement by Applicant – List of Items" is also enclosed, listing the cited documents and references for an indication that they have been considered by the Examiner. A copy of the Search Report issued in corresponding European Patent Application No. 0096 1034 is also included.

No fee is considered necessary for filing of this Information Disclosure Statement since the European Search Report and the information contained therein were cited in a communication from a foreign patent office not more than three months prior to the filing of this statement. A Certification Under 37 C.F.R. 1.97(e)(1) is concurrently submitted with this Information Disclosure Statement.

The above references were cited in the Search Report in corresponding European Patent Application no. 0096 1034. The references cited in the EPO Search Report were identified in category "X", particularly relevant to Claims 1 and 5-7 and in Category "A", for technological background interest for claims 1-12.

A translation of the German application No. DE 2451809 is not available.

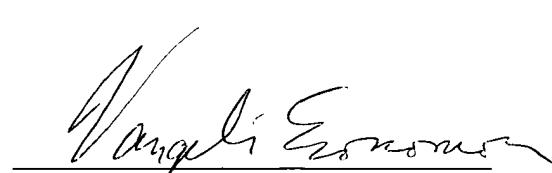

No representation is made or intended as to the adequacy of any search applicants or others may have performed or that more pertinent art is not available. Without any assertion of prior art effect, the documents on the attached List of Documents are cited by applicants for the Examiner who may consider these documents material to the examination of this application.

All of the documents, except for the German reference, are in the English language. Accordingly, the relevance of the documents has not been briefly

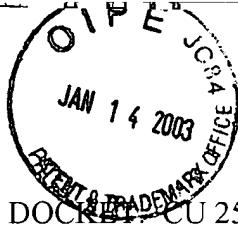

indicated, pursuant to the amendments made to 37 CFR 1.98. The Examiner is urged to make an independent determination of relevance and an independent search of the prior art.

Respectfully submitted,

January 9, 2003

CERTIFICATION UNDER 37 C.F.R. 1.97(e)(1)

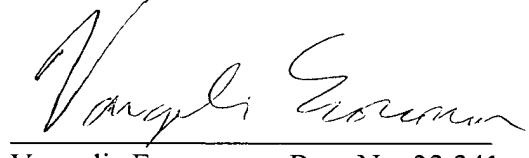

The undersigned representative of the above-identified Applicant hereby certifies as follows:

1. That each item of information contained in the accompanying Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign patent application no more than three months before the filing of the accompanying Information Disclosure Statement.
2. That the European Patent Office communicated the information to applicant's foreign representative in a communication dated December 26, 2002 in the pending counterpart EPO Application No. 0096 1034. A copy of that communication is attached to the accompanying Information Disclosure Statement.

3. The Applicant's undersigned representative became aware of the documents and information contained in the accompanying Information Disclosure Statement upon receipt of copies thereof being enclosed in a letter dated January 8, 2003, received from Applicant's foreign representative. Submission of the information contained in the Information Disclosure Statement to the United States Patent and Trademark Office was undertaken as soon as was practicable thereafter.

4. The Applicant's undersigned representative hereby declares that all the statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine and imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this patent application or any patent issued thereon.

Respectfully submitted,
